Division of Medical Assistance Outpatient Behavioral Health Services Provided by Direct-Enrolled Providers Clinical Coverage Policy No. 8C Original Effective Date: January 1, 2005 Revised Date: September 1, 2006

1.0 Description of the Service

Outpatient behavioral health services include assessment, treatment (individual medical evaluation and management, including medication management, individual and group therapy, behavioral health counseling), family therapy, and psychological testing for recipients of all ages.

2.0 Eligible Recipients

All Medicaid-eligible recipients are eligible for services.

2.1 General Provisions

Medicaid recipients may have service restrictions due to their eligibility category that would make them ineligible for this service.

2.2 Special Provisions

Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) is a federal Medicaid requirement that provides recipients under the age of 21 with medically necessary health care to correct or ameliorate a defect, physical or mental illness or a condition identified through a screening examination. While there is no requirement that the service, product or procedure be included in the State Medicaid Plan, it must be listed in the federal law at 42 U.S.C. §1396d(a). Service limitations on scope, amount or frequency described in this coverage policy do not apply if the product, service or procedure is medically necessary.

The Division of Medical Assistance's policy instructions pertaining to EPSDT are available online at http://www.dhhs.state.nc.us/dma/prov.htm.

3.0 When the Service Is Covered

Services are covered when it is determined that they are medically necessary.

4.0 When the Service Is Not Covered

Services are not covered when it is determined that they are not medically necessary or when the guidelines in Section 5.0 are not followed.

Sleep therapy for psychiatric disorders is not covered.

5.0 Requirements for and Limitations on Coverage

Services must be individualized, specific, consistent with symptoms or with a confirmed diagnosis of the illness or injury under treatment, and not in excess of the recipient's needs.

CPT codes, descriptors, and other data only are copyright 2005 American Medical Association. All rights reserved. Applicable FARS/DFARS apply.

Clinical Coverage Policy No. 8C Original Effective Date: January 1, 2005 Revised Date: September 1, 2006

5.1 Service Limitations

Medicaid does not reimburse for the same services provided by the same provider on the same day.

Only one psychiatric interview (CPT codes 90801, 90802) by the same provider is allowed in a 6-month period.

5.2 Referral

5.2.1 Recipients under the Age of 21

Services provided to recipients under the age of 21 require a referral by a Carolina ACCESS primary care provider, the local management entity or a Medicaid-enrolled psychiatrist.

Note: Services provided by a physician do not require a referral.

5.2.2 Recipients Aged 21 and Over

Services provided to recipients age 21 or over may be self-referred or referred by some other source.

5.3 Prior Approval

5.3.1 Recipients under the Age of 21

Coverage is limited to 26 unmanaged outpatient visits per calendar year. Visits beyond 26 per calendar year require a written order by a medical doctor, licensed psychologist (doctorate level), nurse practitioner or physician assistant and prior approval from the utilization review contractor. To ensure timely prior authorization, requests should be submitted prior to the 26th visit.

5.3.2 Recipients Aged 21 and Over

Coverage is limited to 8 unmanaged outpatient visits per calendar year. Visits beyond 8 per calendar year require a written order by a medical doctor, licensed psychologist-(doctorate level), nurse practitioner or physician assistant, and prior approval from the utilization review contractor.

Prior authorization is not required for the QMB (Qualified Medicare Beneficiaries) eligibility category.

5.4 Place of Service

5.4.1 Recipients under the Age of 21

Place of service is limited to the provider's office, clinic, school, residential facilities, and home.

5.4.2 Recipients Aged 21 and Over

Place of service is limited to the provider's office, clinics, home, nursing facilities, assisted living facilities, and adult care homes.

6.0 Providers Eligible to Bill for the Service

In addition to physicians the following providers may bill for these services:

- licensed psychologists (doctorate level)
- licensed psychological associates (LPA)
- licensed professional counselors (LPC)
- licensed marriage and family therapists (LMFT)
- licensed clinical social workers (LCSW) with a masters degree in social work from a school of social work accredited by the Council of Social Work Education
- nurse practitioners approved to practice in North Carolina and certified by the American Nurses Credentialing Center as an advanced practice nurse practitioner and certified in psychiatric nursing

 \mathbf{or}

Note: The Division of Medical Assistance (DMA) shall extend to nurse practitioners who are certified in another specialty with two years of documented mental health experience. These nurse practitioners will be enrolled under a sunset clause that will require psychiatric certification at the end of a five-year period. **IF** this certification is not obtained by June 30, 2010, enrollment will be terminated.

- clinical nurse specialists certified by the American Nurses Credentialing Center or the American Psychiatric Nurse Association as an advanced practice psychiatric clinical nurse specialist (CNS)
- licensed clinical supervisors (LCS)
- licensed clinical addictions specialists (LCAS)

Providers may enroll as individuals or as a single-specialty or multi-specialty group.

7.0 Additional Requirements

7.1 Consent

The provider is responsible for obtaining the written consent for treatment for recipients of all ages at the time of the initial service.

7.2 Coordination of Care

The provider is responsible for the coordination of care activities, which may include but are not limited to the following:

- Written progress or summary reports
- Telephone communication
- Treatment planning processes
- Other activities jointly determined by the referring provider and the behavioral health provider to be necessary for the continuity of care

7.3 Documentation

7.3.1 Provision of Services

Providers must maintain records that document the provision of services for which Medicaid reimburses. Providers must maintain, in each recipient's record, the following documentation (at a minimum):

- The recipient's name and date of birth on each page
- A description of services performed and dates of service
- The client response to therapy
- The duration of service (length of assessment or treatment in minutes)
- The signature of the person providing the service
- A copy of any testing or summary and evaluation reports
- Documentation of communication regarding coordination of care activities

7.3.2 Recipients under the Age of 21

For recipients under the age of 21, documentation must include:

- 1. a referral from a Carolina ACCESS primary care provider, Medicaidenrolled psychiatrist or local management entity, and
- 2. a copy of the written order by the medical doctor, licensed psychologist (doctorate level), nurse practitioner or physician assistant after the 26th visit
- 3. a copy of the completed authorization form and prior approval notification from the utilization review contractor for visits 27 and beyond.

Note: Services provided by a physician do not require a referral/order.

7.3.3 Recipients Aged 21 and Over

For recipients age 21 and over, documentation must include

- 1. a copy of the written order by the medical doctor, licensed psychologist (doctorate level), nurse practitioner or physician assistant after the 8th visit
- 2. a copy of the completed authorization form and prior approval notification from the utilization review contractor for visits 9 and beyond.

Note: Services provided by a physician do not require a referral/order.

7.4 Service Access

Enrolled providers must provide or have written agreement with another entity for access to 24-hour coverage for emergency services.

8.0 Billing Guidelines

Reimbursement requires compliance with all Medicaid guidelines including obtaining appropriate referrals for recipients enrolled in Medicaid Managed Care programs.

8.1 Claim Type

Providers bill professional services directly to Medicaid's fiscal agent on the CMS-1500 claim form.

8.2 Diagnosis Codes That Support Medical Necessity

Providers must bill the ICD-9-CM diagnosis code to the highest level of specificity that supports medical necessity.

The following diagnosis codes should be used for services provided to recipients **under** the age of 21:

- Medicaid covers six unmanaged visits without a diagnosis of mental illness.
- The first two visits can be coded with ICD-9-CM code 799.9 (a nonspecific code) and the following four visits can be coded with "V" diagnosis codes.
- OR
- The first visit can be coded with diagnosis 799.9 and the remaining five can be coded with "V" diagnosis codes.
- A specific diagnosis code should be used as soon as a diagnosis is established.
- Visits seven and beyond require an ICD-9-CM code between 290 through 319.

Note: This service coverage ends on the last date of the birthday month in which a recipient turns 21 years of age.

8.3 Procedure Codes

Physicians bill appropriate CPT codes which may include Evaluation and Management (E/M) codes. E/M codes are not specific to mental health and are not subject to prior approval. However, these codes are subject to the 24 visit per year limit for adults. For recipients under the age of 21 there is no limit to E/M codes allowed per year.

Mental health specific codes are billable by physicians according to the services they render and would be subject to prior approval if utilized. Other providers bill specific codes as indicated below:
